Time

Zack Hudson

I'm enjoying more and more seeing how people are finding ways to spend their time. Some are sharing their

favorite Bible verses while others are sharing songs that inspire them. I finished writing a song a few weeks before our world came to a stop and I believe it's very timely for what we are currently facing.

This song is a mixture of Psalm 46 and John 11. We have an Old Testament passage that proclaims the protection of God and in the New Testament we see those claims backed up by Jesus rescuing someone from the dead. I know my physical days are numbered but I believe that for me spiritually I've already entered into the abundant life that has no end. I find peace and strength even in the midst of the storms that surround me here on earth because of Christ and His promises. I'm praying that even through this great disturbance others will begin to hear Jesus calling them out to life.

My Days Are Numbered

by Zack Hudson

VERSE:

If the earth should quake and deep foundations shake
It's just another sign, that my days are numbered
The resurrection and the life, if you believe you will never die
With Him you have new life, your days aren't numbered.

CHORUS:

*Come Out, Come Out, He'll Find You
Come Out, Come Out, He'll Find You
You don't have to stay dead anymore
When Jesus Finds You*

VERSE 2:

If God becomes our strength, we will never be afraid
Whatever comes our way, we have a firm foundation
He brings souls to life and we will live even though we die

so step into the light and leave your past behind

BRIDGE:

So let the earth shake and the mountains fade away
and we won't be afraid, because we're walking with You

A Mission Field in Need of Hope

The North American Mission Board serves a diverse and complex region comprised of: United States, Canada and U.S. territories of Puerto Rico, Virgin Islands, Guam, American Samoa. Many North American cities could reasonably be called pre-Christian. Even in the traditional "Bible Belt" Christianity is being pushed to the margins. In the midst of this, God is bringing the nations to our shores and offering unprecedented opportunities for the gospel.

At the North American Mission Board, we see a mission field that needs the hope of the gospel. With your partnership, we're committed to taking this hope to cities, small towns and college campuses. God wants to reach North America with the gospel and so do we.

Through the annual Annie Armstrong Easter Offering we get to support missionaries all over the U.S. and Canada. Your prayers and gifts to the Annie Armstrong Easter Offering® provide support for thousands of missionaries. These men and women are planting new churches in unreached communities and meeting needs through compassion ministries. Every day, lives are being impacted and transformed. The needs are great, but the living hope of Christ is greater. Thank you for reaching out with hope to your own community and for your passionate support for North American Missions.

Flowers

The two beautiful flowers at the front of the Worship Center were provided by Mark and Paula Meese in loving memory of her sister and

Needed at the Ministry Center and Jenks CarePoint

Jenks CarePoint is anticipating a slight shifting in focus in the weeks to come and would like to begin preparing to help families with other needs as the effects of jobs/hours cuts begin to take their toll. In light of that, we are asking members to consider donating the following items at this time: **baby wipes, toothpaste, shampoo/conditioner, soap, antiperspirant/deodorant, laundry detergent, and feminine hygiene products.** Right now donations can be dropped off at the church during office hours, or at CarePoint from 8:30 a.m. - 3:30 p.m. Monday-Thursday.

The Ministry Center is in need of items for personal care bags - **small shampoo, small conditioner, soap, toothpaste, deodorant, etc.** Thank you, church family, for all the food that was collected during the February food drive. Your generosity has allowed us to bless many with needed food.
