

5 Questions

to Ask Yourself BEFORE Attending In-Person Sunday Bible Study and/or In-Person Worship

1. Do you have a fever (more than 100.4 F)?
2. Are you currently experiencing any of these symptoms: cough, runny nose, shortness of breath, abdominal pain, stomach issues, body aches, dizziness, shortness of breath or difficulty breathing?
3. Have you traveled to any countries, states, or cities with significant COVID-19 exposure in the past 14 days?
4. Have you come within 6 feet of someone who has a confirmed COVID-19 diagnosis in the past 14 days?
5. Have you been in a location where crowds are restricted to a common inside location (e.g. airplane, arena, theater, ship, etc.)?
